

It's that time again: The ACHEMA 2018 opens its gates from 11th to 15th of June 2018.

We invite you to visit ACHEMA and we look forward to welcoming you to our stand. Again, this year we would like to talk to you about our cooperation, suggestions and plans. And if it gets stuck, take the ACHEMA as a way to discuss problems with us personally.

For your visit we will gladly send you voucher codes for your day tickets. Therefore, please send a mail to [jouni.laine@uutechnic.fi](mailto:jouni.laine@uutechnic.fi).

We look forward having a conversation with you and wish you a successful exhibition visit.
